**Prime Clerk's Requested Fees and
Reimbursement of Expenses Should Be Allowed by this Court**

11. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered ... and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 sets forth the criteria for the award of compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded ... the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;

- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (f) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

12. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, it is respectfully submitted that the amounts requested by Prime Clerk are fair and reasonable given (a) the complexity of this case, (b) the time expended, (c) the rates charged for such services, (d) the nature and extent of the services rendered, (e) the value of such services and (f) the costs of comparable services other than in a case under this title.

13. In addition, Prime Clerk's hourly rates are set at a level designed to fairly compensate Prime Clerk for the work of its professionals and to cover routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

14. Lastly, Prime Clerk maintains computerized records of the time spent by employees of Prime Clerk in connection with its role as administrative agent to the Debtors. **Exhibit A** hereto: (a) identifies the employee that rendered services in each task category; (b) describes each service such employee performed; (c) sets forth the number of hours in increments of one-tenth of an hour spent by each individual providing services; and (d) as applicable, lists the amount and type of expenses incurred.

Allowance of Compensation and Reimbursement of Expenses

15. Prime Clerk requests that it be allowed, on an interim basis, compensation for professional services rendered and reasonable and necessary expenses incurred during the Interim Fee Period in the aggregate amount of \$21,592.80 and \$0.00, respectively, for a total aggregate amount of \$21,592.80. It is possible that some time expended or expenses incurred during the Interim Fee Period are not reflected in this Application. Prime Clerk reserves the right to include such amounts in future fee applications.

Certification of Compliance and Waiver

16. The undersigned has reviewed the requirements of Rule 2016-1 of the Local Rules and that the Application substantially complies with that Local Rule. To the extent that the Application does not comply in all respects with the requirements of Local Rule 2016-1, Prime Clerk believes that such deviations are not material and respectfully requests that any such requirements be waived.

Notice

17. Pursuant to the Compensation Order, this Application will be served upon the Fee Notice Parties (as defined in the Compensation Order). Prime Clerk submits, in light of the relief requested, no other or further notice is necessary.

Conclusion

WHEREFORE, Prime Clerk respectfully requests that the Court enter an order: (a) granting Prime Clerk interim allowance of compensation for professional services rendered in the aggregate amount of \$21,592.80, which represents 100% of the total compensation for professional services rendered by Prime Clerk during the Interim Fee Period; (b) granting Prime Clerk reimbursement of \$0.00 for 100% of the actual and necessary costs and expenses incurred by Prime Clerk during

the Interim Fee Period; (c) authorizing and directing the Debtors to pay Prime Clerk \$21,592.80 (less any amounts previously paid) for professional services rendered and for actual and necessary expenses; and (d) granting such other and further relief as is just and proper.
